

NON RESIDENT ROOM CHARGES FOR KKRV

2021 TO 2022 (from 1-8-21)

Care Facility residents are entitled to apply for residential care subsidy through Work & Income. This is means tested and the amount you receive will be determined by your personal circumstances.

These figures are a guideline, and we can give you an exact figure once you have been assessed by Work & Income. Please note: All prices shown include GST.

Important to Note: The figures in the yellow and green columns are after a portion of your NZ Superannuation is paid directly to KKRV. We recommend discussing this form with Work & Income.
