

As of Tuesday 6th of October, 9.30am, Kerikeri Retirement Village is open again for visitors with unrestricted access.

However, the golden rules are:

1. Please scan in with the COVID 19 QR Code, displayed on our door - every time you enter the care facility.
2. Sanitise your hands before and after visiting.
3. The facility will be open at weekends (please sign yourself in).
4. Masks are optional but still recommended
5. You can visit throughout the facility, as well as your family member's room.
- 6. IF YOU ARE AT ALL UNWELL PLEASE DON'T VISIT AT ALL**

We need to continue to be vigilant for the sake of the lovely people who live here - please help us to help keep your loved ones safe.

The Government has warned there are likely resurgences, so we must be prepared to lockdown again.

However, for now, enjoy each other's company, the great weather and getting out and about – and coming in.
